Wakin' up with the dawn
Blinded by the breaking light
Chasin' dreams that I hope to find
But never come
Maybe I'm the lucky one
Yeah I wonder

One day I'll settle the score
From the wins and the losses
Discover what it's all for
And how heavy the cost is
Pullin' in this tug of war
That I'm under

On the Drive...Drive
On this ribbon I ride
Eastbound into the sun
Rising

It's shinin' right in my eyes
Yeah baby I can feel the burn
Lettin' go what I never had
Was the lesson learned
It only ever made me sad
Never loved me back

Now I cry...cry
Not for the light in my eyes
But all the years and the miles
Chasing on

On the Drive...Drive
On this ribbon I ride
Westbound into the sun
Setting

Over me
Are the north aurora lights
Where the golden sun
Rains silver in the night
Callin' to the many lost pilgrims in the fight
Who drive...drive...drive
Bring 'em back to the light

Drivin' into the sun
Blinded by the breaking light
Chasin' dreams that I hope to find
But never come
Maybe I'm the lucky one
Maybe I am the lucky one
Oooohhhh
Oooohhhh
