*Young James Young Music (BMI).*

We can't stay young  
No we can't stay young forever  
But here tonight  
Gonna live just like we can

It would be tragic if we lost the moment right here in our hands  
We gotta make it real  
Baby we should steal forever

If we run away fast then they can't catch us  
Leave 'em in the dust, askin' questions  
How? --- Did they get out?  
Speedin' like a thief with a love illegal  
Let's face it, wasted time is lethal  
If we don't go, we both know  
It's now or never  
Baby we can steal forever

We can't go back  
No we can't go back when it is over  
We can feed the clock, or make it stop  
But we got one shot

The job, the bills, the overtime  
The never-ending daily grind  
It's a bad deal  
Baby we should steal forever

If we run away fast then they can't catch us  
Leave 'em in the dust, askin' questions  
How? --- Did they get out?  
Speedin' like a thief with a love illegal  
Let's face it, wasted time is lethal  
If we don't go, we both know  
It's now or never  
Baby we can steal forever  
Forever
